

FINAL FOUR 2010 TICKETS

The Match Club has secured a block of seats for the Final Four in Kansas City for December 16th through the 18th. We have been working since January to secure information about these, the location and prices. The NCAA has been working very slowly with the host school (UMKC) to allocate seating and have not been very helpful. In past years, we have been able to secure better seating on the sideline but the NCAA has locked up most of the side seating, saving them for TicketMaster, NCAA invitees and the final four teams. There are also a lot of the side seats being held for the “prestige” season ticket holders of the Sprint Center, itself. So, without waiting to see if better seats open up later, we have decided we must go ahead with the only seats they will guarantee us. Our seating will be in the lower bowl, section 121, rows 19 and up, in the end zone behind the serving line. We are guaranteed a block of 150 seats, sold first come, first served. We will attempt to secure additional seats when these are gone. The bus trips packages that will be offered will **not** include tickets so you must buy them here or separately through TicketMaster. Our cost will be \$61 including all handling fees and tax.

To help us present a solid block of Husker fans, join us in the “Husker End Zone”.
